Sherman, D.O., M.S., Chairperson, Elisa J. Wu, M.D., and David F. Irvine, DHSc, P.A., duly designated members of the State Board for Professional Medical Conduct, served as the Hearing Committee in this matter. A Commissioner's Order and Notice of Referral Proceeding and Statement of Charges dated August 31, 2015, were served upon Gary Leeds, M.D. ("Respondent").¹ Although represented by counsel at the hearing, Respondent was not present. After consideration of the entire record, the Hearing Committee issues

¹ Copies of a Commissioner's Order and the Notice of Referral Proceeding and the Statement of Charges are attached to this Determination and Order as Appendix I and were personally served on Respondent on September 24, 2015, at Otisville FCI, located at 2 Mile Drive, Otisville, New York. [Ex. 2]

this Determination and Order, finding that a five year suspension of Respondent's medical license with probation and conditions is appropriate.

BACKGROUND

This case began with an Order by the Commissioner of Health, Howard A. Zucker, M.D., J.D., summarily suspending the Respondent's medical license pursuant to Public Health Law ("PHL") § 230(12)(b). The Department brought the case pursuant to PHL § 230(10)(p), which provides for a hearing on circumscribed issues when a licensee is charged solely with a violation of Education Law § 6530(9). In such cases, a licensee is charged with misconduct based upon a prior criminal conviction in New York State or another jurisdiction, or upon a prior administrative adjudication regarding conduct that would amount to professional misconduct, if committed in New York. The Respondent is charged here with professional misconduct pursuant to Education Law § 6530(9)(a)(ii) by having been convicted of committing an act constituting a crime under federal law, in violation of 18 U.S.C. § 1952(a)(3) and 18 U.S.C. § 2.

FINDINGS OF FACT

The following Findings of Fact were made after a review of the entire record in this matter:

1. Gary Leeds, M.D., the Respondent, was authorized to practice medicine in New York on December 11, 1981, by the issuance of license number 148835 by the New York State Education Department. [Ex. 3]
2. On or about November 21, 2013, in the United States District Court, District of New Jersey, Respondent pled guilty to accepting bribes in violation of 18 U.S.C. § 1952(a)(3) and 18 U.S.C. § 2, the Interstate Foreign Travel or Transportation in Aid of Racketeering statute. The Respondent was sentenced on June 2, 2015, to 20 months of incarceration, followed by a one-year

period of supervised release, forfeiture of \$108,000, a \$15,000 fine, and a \$100.00 special assessment.

[Ex. 1,4]

VOTE OF THE HEARING COMMITTEE

FIRST SPECIFICATION

Respondent violated New York Education Law Section 6530(9)(a)(ii) by having been convicted of committing an act constituting a crime under federal law.

VOTE: Sustained (3-0)

HEARING COMMITTEE DETERMINATION

In the United States District Court of New Jersey, the Respondent pled guilty to accepting bribes as part of an interstate racketeering scheme. [Ex. 1] This was a federal crime. Additionally, in his Answer dated November 16, 2015, Respondent admitted that he was "convicted by his plea of guilty of violating 18 U.S.C. §1953(a)(3) and § 2". [Ex. A] The specification of misconduct in the Statement of Charges of this proceeding is sustained.

From September 2010 through April 2013, Respondent engaged in a fraudulent scheme of referring his patients' blood specimens to Biodiagnostic Laboratory Services, LLC, a clinical laboratory, in exchange for large sums of money. [Ex. 4] This conduct represented Respondent's use of his medical license to participate in a scam involving his own patients. It also suggested Respondent's placement of his financial interests, in participating in an arrangement where he accepted money for the referral of his patients' blood samples, above the sound care of his patients. In determining a penalty, the Committee considered Respondent's compliance in paying the fine and forfeiture amounts imposed pursuant to the criminal sentence and Respondent's long-standing commitment to rendering treatment to lower income families in Manhattan. His written statement in which he expressed remorse for his wrongful conduct was also considered. [Ex.A,B] In his

statement, Respondent explained how he is a "family practitioner" and "rooted in the fact that patient relationships, dealing with families, advocating for patients has been, (and) always will be my top priority." [Ex. A] (Emphasis added).

The Committee determined that Respondent should be suspended for a period of five years, the first two of which should be an actual suspension and the last three of which should be stayed. In addition, Respondent is subject to five years of probation with conditions, including, but not limited to completion of appropriate Continuing Medical Education ("CME") coursework in billing practices and a practice monitor, to begin at the termination of the actual suspension. A copy of the Terms of Probation are attached to this Determination and Order as Appendix II.

ORDER

IT IS HEREBY ORDERED THAT:

1. The factual allegations and specification contained in the Statement of Charges (Appendix I) are SUSTAINED; and
2. Respondent is subject to a five year suspension. The first two years of suspension will be an actual suspension. The last three years of suspension will be stayed. Five years of probation will begin at the termination of the period of actual suspension. The Terms of Probation (Appendix II) include, but are not limited to, CME coursework in appropriate billing practices and practice only with a practice monitor during the five years of probation; and
3. Respondent shall comply with all the Terms of Probation attached to this Determination and Order; and
4. This Order shall be effective upon service on the Respondent in accordance with the requirements of Public Health Law Section 230(10)(h).
